March 20, 2020

Dear FCCA Members:

It is with sincere regret that I write to inform you that I and the FCCA Board have decided to cancel the 2020 FCCA conference, which was scheduled for June 30-July 2 in Fort Worth, Texas. Due to the current disruptions caused by the COVID-19 pandemic to all court operations, uncertainties in the travel industry, questions about the conference site being fully operational and able to support our conference, and questionable availability of speakers and trainers, the FCCA Board determined that this was the only responsible decision we could make in the best interest of the association and its members. We also felt that it was prudent to make this unfortunate determination as early as possible to avoid uncertainty and inconvenience. Since the conference has been cancelled, we will not have our usual awards and scholarships this year either.

I am very sorry for any disappointment that this cancellation may cause you. The Board will seek other ways to share meaningful training opportunities with you in the coming months. We all remain committed to our members and hope that you will let us know if you have any special needs during this challenging time.

Please mark your calendars for the 2021 conference, August 3-5. It will be twice as wonderful!

Sincerely,

Karen Mitchell
President
